

❑ Lottery Manager & Shift Tracker

Quick Cashier & Manager Operating Guide

❑❑ Daily Cashier Routine

1. Start Shift: Log in with your cashier name (Preet, Simran, etc.).
2. Log Readings: Go to 'Shift Ticket Reading', scan ticket at front of each dispenser slot.
3. Sell Tickets: Tap 'Sell Tickets'. Scan items one by one (or Bulk mode for runs of tickets).
4. End Shift: Tap 'Shift Report' -> Review totals -> Tap 'Confirm & Sign-Off Shift'.

❑❑ Key Operations & How-To

❑ 1. Logging Shift Readings (Shift Change)

- Navigate to 'Shift Ticket Reading' on main dashboard.
- Scan the barcode currently showing at the front of each dispenser slot.
- Tip: Click 'Scan with Camera' to continuously scan all slots back-to-back without closing camera.

❑ 2. Selling Tickets to Customers

- Tap 'Sell Tickets' at top of dashboard.
- 1 Scan = 1 Ticket: Scan tickets one by one as you hand them to the customer.
- Bulk Mode: For buying runs (e.g. #000 to #015), switch to Bulk, scan ticket #000, then scan ticket #015. The system automatically calculates 16 tickets.

❑ 3. Receiving & Activating Packs (Inventory)

- Tap 'Inventory & Games'.
- Receive Stock: Scan new pack barcode under Receive New Stock to place in Backroom Stock.
- Activate Pack: In Backroom Stock Inventory, enter Slot # (e.g. Slot 5) and click Activate.

❑ 4. Manual Entry (If Barcode is Damaged)

- Tap 'Manual Entry' on scanner modal.
- Enter Game # (3 or 4 digits, e.g. 754 or 1234), Pack # (012345), and Ticket # (042).
- Tap 'Submit Barcode'.
